

MIDNIGHT

insomnia . . .
owl-hoots creep
across my chest
(SW)

worries toss and turn--
the twisted sheets
(JR)

tip-toeing
from the bedroom
price of caffeine
(CVC)

pacing the hall
my mind races
(SW)

scattered thoughts
the scrabble tiles
won't form a word
(JR)

pendulum swings
and time slows down
midnight canyon
(CVC)
