

Wolf Moon

dark laughter
floods the riverbanks
a roost of crows
(JR)

sunrise lift-off
trees, lairs, houses empty
(CVC)

icy howls
leaving the old
for brand-new light
(SW)

moon fades
behind Turquoise Mountain
(JR)

footsteps crunch
across rock and snow
puffs of breath
(CVC)

a lone caw
empties the sky
(SW)

by Janet Ruth (JR). Claire Vogel Camargo (CVC)
and Scott Wiggerman (SW)
